High School Editors Here for Workshop

By JAN GOLDEN

The SCRIBE, journalism department, and Pi Delta Epsilon honorary journalism fraternity will again play host to staff members of high school papers in Connecticut at the Second Annual Journalism Workshop, on campus, Dec. 1.

The workshop will provide opportunity for written work and oral discussion in reporting, features, copy, headlines, make-up, and layout, as well as other aspects of newspaper work.

An address by Roy Gregory, of The Bridgeport Herald, will highlight the day's activities. Joan Reck, SCRIBE editor and vice-president of Pi Delta Epsilon, will introduce Mr. Gregory to the group at a luncheon in Pilgrim Hall, Saturday noon. "High School to College Life" is the topic selected by Robert Root of the UB journalism department.

Mr. Gregory, formerly the sports editor of The Herald, now edits the High Life Section of that paper. His life is devoted to the activities of high school students of this area.

Discussion groups and a workshop period will fill the afternoon activities. Several panels have been set up. Among these is news and feature writing with John Smith, SCRIBE news editor, presiding. This group will stress the importance of good leads and will explain the setting up of the beat system. Bill O'Brien, SCRIBE columnist, will discuss his specialty.

Also scheduled to speak at this time are Moultrie Balcom, former SCRIBE reporter, who will speak on free lance writing; and Mr. Howard Jacobson, former faculty member, who will cover aspects of the news. Miss Reck will discuss the specific style of news writing and the tying in of photographs with stories.

A panel including the related topics of copy, headlines, and make-up, will be under the direction of Dick Handler, SCRIBE managing editor. Assisting him in this discussion will be Tony Georgan, headlines; Benjamin Raubvogel, make-up; and Naemi Lund, copy.

The sports panel will be presided over by Ed Pettit, SCRIBE sports editor. He will be assisted

Part Time Jobs Are Now Available

Students interested in part time work are urged to visit the Placement Office in Howland Hall at any time.

The bulletin board in Fones Hall has regular announcements as to available jobs. If nothing on these announcements is suitable to you, check with Miss Hawkins in the Placement Office to see what other type of work she may have to offer.

The placement service are extended to evening and graduate students also. Full time jobs in and around Bridgeport, either night or day work, are available.

Election Nears For Freshman Council Seats

By LAURA ALTROWITZ

Voting for freshman Student Council representatives will take place in the Fones Snack Bar from Dec. 3 through Dec. 7, and in Marina Hall on Dec. 3 through Dec. 5, under the direction of the SCAC.

Campaign week begins 8 A. M., Nov. 26, and ends Dec. 5. All candidates, or their campaign managers, must obtain a nomination blank from the Office of Student Activities. A nominee must have 25 signatures on the petition from members of his own class.

The University has defined a freshman as: "Those who have completed less than 27 points or less than twice that number of quality points."

Each student may sign as many petitions as there are places on the council for his class. Candidates must turn in thumbnail sketches of themselves with the completed blanks on or before 12 noon, Nov. 30. Each candidate must be a full-time student not on probation.

Candidates and their campaign managers will handle the candidates' publicity and may not solicit votes in the Snack Bar or Marina Hall when voting is in progress. Sound trucks and public address systems are not allowed. No defacing of opposition publicity is permitted.

Educational Assoc. Established Here

A new organization known as the "Connecticut Education Association—Student Organization," is being sponsored on campus by the College of Education and will be affiliated with the Connecticut Education Association.

The function of this organization will be to enable students to meet and discuss with other students problems pertaining to educators to the campus as guest speakers.

Any student majoring in education or working for his certificate in that field is eligible to join. Meetings will be held every other Thursday at 4:00 P. M.

Officers of the organization are: Leonard Launer, president; Thomas Cornin, vice-president; Stella McHenry, secretary-treasurer; Dr. A. C. Hutchinson, faculty adviser.

FACULTY VOTES 43-12 TO FORM OWN SENATE

By RON GOLD

A Faculty Senate may become a reality very soon. The Senate will provide the faculty with a greater voice in determining academic policy. In many instances it will take over work which is now being handled by the Council of Deans.

The constitution, which calls for the setting up of the Senate, was passed by a 43-12 vote by the faculty on Tuesday, Nov. 5. Approval of the Board of Trustees is all that is needed in order to make the constitution valid.

Hope was given the constitution's founding fathers when Harry A. Goldstein, Secretary of the Board, authorized the beginning of elections. These elections started last Tuesday.

One Year In Planning

The Faculty Senate, the forming of which has been in the hands of a volunteer committee for over a year, will consist of 30 members. The ten permanent members are the University President, Vice-President, and deans of the various colleges. The other 20 members are elected from and by the faculty. Sixteen delegates are elected from various units within the University and four members are elected from the faculty at large. There will be a 2 to 1 ratio of faculty members to administrators and any motion will require a two-thirds majority for passage.

Any student may get a proposal introduced in the Senate by having his idea accepted by the Student Government Association. The proposal then will be brought up at a Senate meeting where the proposal receives an audience. If the Senate approves of the plan, it becomes law.

Student Committees Sit In

All intra-senate committees will be appointed by that body, and students working on similar student committees will be permitted to sit in on the Senate committee meetings.

The view held by many instructors is that the Senate should afford a better medium for communication between all groups within the University. It is also hoped that the mechanics of the Senate will be running by the first of next year.

Alternate Plan For Convocations Offered by Deans

Under a special plan approved by the Council of Deans for this year only certain substitutes will be accepted for convocation credit for graduation. Those who are planning to graduate in February, June, or September of the 1951-52 college year and who are short of credit for convocations attended and who wish to substitute attendance at other cultural affairs must obtain permission from the dean of their college.

Dr. Littlefield NSA Adviser

Dr. Henry W. Littlefield, University vice-president, was elected to the Board of Advisers of the New England region of the NSA, at its regional conference held last week at Harvard University. Also elected to the board were Dr. Alan Griswold, president of Yale University, and Mary Chase, president of Wellesley College.

The conference, attended by 125 students representing 21 New England colleges, provided UM's representatives with the opportunity to air their problems and benefit from the problem of other institutions.

Attending the conference from the University were Sydney Litwak, John M. Smith, Bea Dupont, Carol Maass, Barbara Hertz, Beth Drexler, Steve Kost, Bob Millar, and Dick Ellis.

Thunder Strikes!

BY GINNY TENNANT

Last night, at the Klein Memorial, a full house audience saw the University of Bridgeport's Campus Thunder '52 come forth in a blazing display of music, laughter, and color that dazzled the eyes of the spectators. Opening night was particularly unique

Way," by Syd Karam, were received with great applause.

Frank Castellucci for the fourth consecutive year successfully portrayed the "girl" who burlesques her way through the Campus Thunder show. It is too bad that this is the last year for Frank, since he has been a consistent scene stealer in the role of "Fifi." Frank leads the "Thunderettes" played by Tony Georgan, Syd Litwak, Joe Abrahams, Al Celina, Larry Bluth, Bob Gold, Phil Carubba, Charlie Morris, Bernie Eisenberg, and Bob Weiss through their hilarious roles as "New England's Most Interesting Women." Unusually funny was their rendition of "Ladies of the Bizarre."

Specialty dances were given professional treatment by James Meherter, Sye Shifrin, Jane Goldsmith, Cynthia Richelsoph, Lenore Bifield, and Irv Heibman. Other feature players who made such a success of Campus Thunder were Rick Levine, Chuck Levine, Paul Jepson, Lee Moldoon, John Mica, Ron Brandenburg, Stanley Bessler, John Shaffner, Mary Ellen Bruno, Isabel Vorsimer, Marjorie

Cisero, Carol Milligan, Dee Casillo, Janice Kirk, Mary Donahue, Marlene Fanta, Delores Ludka, Kitty Michaels, Jackie Fuller, Anne Yrontakis and Harold Epstein.

WNAB broadcast interviews which were taken in the lobby during intermission.

Special plaudits should be given to Mr. Albert Dickason, director Dick Kalm, technical director, and Stan Josephson, business manager, who did such a fine job to make Campus Thunder '52 the biggest success yet.

Seniors May Order Class Rings Now

Class rings may be ordered by members of the graduating class of 1952 until Dec. 4 at the Office of Student Activities—3rd floor, Howlands, every afternoon, and in the mornings on Mondays between 11 and 12, on Tuesdays from 10 to 11:15, and on Fridays from 11 to 12.

A \$10.00 deposit must be made with all orders. Delivery will be in the early Spring.

Paraphrasing the News

By JOHN M. SMITH

Sigma Phi Alpha has awarded its annual scholarship to Lou Saccone, co-captain of the football team. Saccone also won the award last year for his excellence in scholarship and leadership.

Faculty members have been entertaining their advisees in their homes under a grant from the Hazen Foundation. The program was organized to promote a better understanding between faculty and students. Those who have entertained students include Dr. and Mrs. Pickett, Dean Martha Jayne, Dr. Marie Jaeger, Miss Shirley M. Annala, Miss Francis M. Ferri, Mr. and Mrs. William S. Banks, Dr. and Mrs. Charles D. Goulding, Mr. and Mrs. Francis DeLeo, Dr. Helen Scurr, Mr. and Mrs. Austin Chapman, Mr. and Mrs. Robert Root and Mr. and Mrs. Wendell Kellogg.

The Photography Club has announced the results of their recent elections. The new officers are John M. Smith, president; Sid Sherer, vice-president-treasurer; and Irlie Thropp, secretary. The club meets every Wednesday at 3 P. M. in Fairfield Hall.

Records Office has announced that mid-semester grades will be posted by student number in Fones Hall as soon as they are received from the instructors. If there is any doubt as to your number, check with the Records Office.

Alpha Gamma Phi awarded a citation to Joseph T. Iovino for meritorious and outstanding efforts in the field of student activities during the half-time ceremonies at the UR-Rider game. The citation was read by Morgan V. Rehrig, president of the fraternity.

A Music Club has been formed on campus for the purpose of becoming better acquainted with music and to do it in a social atmosphere.

The officers that were elected at the organizational meeting were Howard Marks, president; Richard Probst, vice president; Barbara Burhorn, secretary; and Dorothy Laskay, treasurer.

The group is planning trips to New York City to attend various music rehearsals and performances.

Mr. Weber of the art department announces that the Japan-

ese woodblock prints on display in the Library are for sale from \$2 to \$15. The Art Department receives a commission from the sales, and the proceeds will be used to form the nucleus of a University print collection. This collection will be shown on campus, and when a sufficient number has been accumulated they will be loaned to students for a small rental fee to hang in their dormitory rooms. For further information, or to purchase a woodblock consult Mr. Weber.

The Political Relations Forum plans to attend the inter-college forum on world affairs at Yale on Dec. 1 and 2. The theme of the forum will be, "The United States as a New Leader in What Direction." Approximately 30 colleges and universities from the New England area will be represented. The P. R. F. will also attend the three day session of the Connecticut Inter-Collegiate

Student Legislature to be held in Hartford in mid-December.

The Student Discount Service Committee has elected Diane MacDougal as its chairman; John M. Smith, treasurer; and Barbara Hertz, secretary. The committee is in the process of interviewing local stores for the discount service which will be introduced in the spring.

Biology Club Elects Officers

Harvey Chernoff has been elected president of the Biology Society at a meeting held recently. Other officers elected are Virginia Ganim, vice-president; Evelyn Polke, treasurer; Joan Foytho, recording secretary; and Russell Churchill, corresponding secretary.

To become a member of the Society, students must have six semester hours of biology and 24 hours of college credits.

Thirteen percent of the Day Division students, a total of 169, are married. The senior class leads with 57.

Campus Interviews on Cigarette Tests

No. 28...

THE OVENBIRD

Past Grand Master of the Royal Order of Gourmets and Raconteurs—our outspoken friend knows how to find the proof of the pudding. Especially such a thing as cigarette mildness! A "quick puff" and a "single sniff" left him hungry for facts. Smokers everywhere have tried the same tests and discovered the one true test of cigarette mildness!

It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke, on a day-after-day, pack-after-pack basis. No snap judgments. Once you've tried Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

Over Fifty Years of Public Service

By FRED DILENDIK

In case you haven't had anything to discuss on campus lately, try this little item. A controversy about bringing bottles to fraternity affairs is in full swing. This has been the usual practice, but an opposing faction wishes to see this practice eliminated. In place of this custom they propose to have drinks bought only at the affair. This would mean an increase in expense for those attending the dances. If you have any ideas you would like to express, any interfraternity council member would be glad to listen to your views.

INTER-FRATERNITY COUNCIL—One of the major things discussed at the past meeting besides the above issue was the spring schedule of dances. From Feb. 8 until May 9, there is a dance scheduled for every Friday night. These include school dances as well as fraternity dances. The issue: No breathing period.

Along the same line, the tentative date of the Greek letter Dance this year is Feb. 8. This affair starts off the carnival of dances.

ALPHA GAMMA PHI — Following the Rider game, members of AGP and alumni adjourned to Lenny's Wagon Wheel where they enjoyed an evening of wine, women, and song. A correction to my last column: Tony Bennett was scheduled to sing, but plans were changed at the last minute.

Morgan Rehrig, president of AGP, presented Joseph Iovino with a scroll for outstanding efforts in student activities through his endeavors in athletics at the Rider game.

Don't forget Dec. 7 at Glorietta Manor. That is also the date of AGP's Sword and Shield dance.

BETA GAMMA—The two week period of affairs for the prospective pledges is up. The girls who were selected received bids this past Monday. The idea of co-operative pledging worked very well this year. Fraternities should use it.

SIGMA PHI ALPHA — Eight

pledges are now participating in a three-week "Hell" period. A social will be held tonight so that the pledges may get better acquainted with their future brothers. A hay ride is also on the agenda for the near future.

PI OMEGA CHI—Congratulations to boys of POC for a dance well done. An extra orchid to Jack Shields for his well laid out groundwork. Sweetheart of POC this year is Ann Fritz, a freshman hailing from Beacon, N. Y.

THETA ELSILON—Tea must be increasing in popularity as a drinking beverage. The girls of TE sponsored teas on the 5th and 8th of November. A dinner was also held on Nov. 2. This all took place in honor of the prospective pledges during the two week preliminary period. Voting will take place shortly, and will be followed by the tapping of successful candidates.

THETA SIGMA—At the time of this issue, Theta Sigma's Foul Ball has not yet taken place. However, here are a few highlights of the affair. Dud Savard and Dave Howard undoubtedly kept the entertainment moving. The dance as a whole will be one of TS's typical raucous times.

A spontaneous going away party was held for Jack Shannon at Ken Medley's house. A majority of the group present were alumni.

PRESIDENT OF THE WEEK

Morgan Rehrig, Alpha Gamma Phi. In the fall of 1949, a navy veteran whose pastimes are girls and sports, came to UB as a transfer student from Sampson College. This lad was none other than our Morgan. He makes his home in Fair Haven, N. J., during off seasons. During his stay at Rumson High he played baseball and football. On April 2, 1950, he was initiated into AGP and became an officer shortly thereafter. Last spring he attained the goal of all eager lads and took over the reins of AGP, succeeding George Quinion.

Deferment Test Deadline Nearing

By Manny Sternschein

UB male students are reminded by Dean Fish that the deadline for submitting applications for the educational deferment test is approaching.

He also stressed the importance of all eligible students taking the test, and indicated that those who do not have test score results in their cover sheets may have a "very difficult time indeed" in convincing their local board that they should be deferred as students.

The new series of tests will be given Thursday, Dec. 13, and Thursday, April 24, at more than 1,000 different centers throughout the United States and its territories. The blanks may be obtained at Dean Fish's office.

Application blanks for the April 24 test must be postmarked not later than midnight, March 10.

To be eligible to apply for the test, Dean Fish pointed out, a student must:

1. Intend to request deferment as a student; (2) be satisfactorily pursuing a full-time college course; (3) must not previously have taken a Selective Service Qualification Test.

Students whose academic year will end in Jan. 1952, are urged to apply for the Dec. 13, 1951 test, so they will have the scores in the files when local boards reconsider their cases in January.

The criteria for deferment as a student is either a satisfactory score (70) on the Selective Service Qualification Test or satisfactory rank in class (upper half of the freshman class, upper two-thirds of the junior class.) Seniors accepted for admission to a graduate school satisfy the criteria if they stand in the upper half of their class, or make a score of 75 or better on the test.

Dr. Becker Is Appointed To Head Psychology Group

Dr. Harry A. Becker, Dean of Administration, has been appointed head of the Research Association in the Bridgeport area. This organization is a division of The Psychological Corporation of New York, a non-profit group for the development of Psychology.

All surveys and studies to be carried on by the Research Association in this region will be under Dr. Becker's direction.

"These surveys and studies will provide Psychology and Sociology majors with the opportunity to obtain practical field experience with a substantial remuneration," said Dr. Becker.

Two surveys have been taken so far this Fall and more are in the process. Students who are interested in working on interviews and other surveys are invited to register at Dr. Becker's office between 9 A. M. and 5 P. M., Cortright Hall, second floor.

Forgotten UB Students

Two distinct factions make up the University of Bridgeport — the Day Division and the Evening Division.

Although everybody in the University is conscious of the two sections of the University, very few Day Division students recognize those in the Evening Division as "fellow" students. As far as studies go the opportunities for both groups are equal, but in the extra-curricular sphere the Evening Division is on the losing end.

True, Evening Division students are usually older in age, hold down daytime jobs, and have less interest in "college life" as a whirl of social activities. But a large proportion of these Evening students definitely feel slighted by the lack of attention given them by extra-curricular organizations that are run almost wholly by Day students.

Besides the posters in the Snack Bar, the Evening students seldom hear about our many clubs and dances. Whenever tickets are sold for social functions — it is usually limited to the day hours. Clubs that are constantly pleading for more members, new ideas and better leaders completely overlook the potentiality of the Evening Group. Club notices almost never contain the word "Evening".

Although Evening students do have less free time than Day students, many of them have classes scheduled only two or three night a week, leaving them the alternate nights free to pursue personal interests.

They will contribute to the University extra-curricular functions and benefit from them as the Day students do if they are "invited" to join in. They are a part of the University—make them feel as though they are.

Money Saving Plan

The student does not need a statistical analysis of food and raw material prices to realize that his buying power is being squeezed. He understands that he is caught between a rising spiral of educational costs and a general inflationary trend when academic obligations keep his earning power at a minimum.

Regardless of whether the student is a veteran still earning the GI benefits, a part time worker, a scholarship recipient, or supported entirely by fortunate parents, he will find it increasingly difficult to maintain his economic equilibrium.

As a result of this, UB's NSA Committee has started the machinery for a discount system for students, beginning with the spring semester. They are busy making contacts with local merchants so you can profit by the savings offered by the SDS.

This program can only succeed if it is given your wholehearted co-operation.

CAMPUS COURTESY

The intricate network of telephones and calls that connect all parts of the University as well as the University with the city is undeniably overwhelming and naturally taken for granted. Yet, more courtesy is shown by the people that use the telephones than is thought about. The telephone loses its cold, machine-like quality when the students, faculty, and staff alike speak pleasantly to the switchboard operators, show patience when the lines are unusually busy, and clearly identify themselves when their party is reached. The telephone is a necessity, but it is also a luxury—especially in student offices.

Tuite Resigns: Is in Army; SCAC, Budget Take Time

The Student Council meeting of Nov. 1 was called to order at 3:20 P. M. by President Anderson. Roll call was taken. Absent were O'Neill, Unger, Kenney, Kennedy, and Litwak. A quorum was present. The minutes were read and accepted as read. The following are excerpts.

RESIGNATION

A resignation was submitted by William Tuite of the sophomore class because of his recall into service. The resignation was accepted.

Roger O'Neill submitted a resignation from the council as a representative of the junior class due to medical reasons. Brandenburg made a motion that O'Neill be put on the inactive list until such a time as he may be able to resume his duties as an active council member. The motion was passed.

SCAC

Brandenburg reported that no official meeting had been held at the last SCAC meeting due to the lack of attendance.

Leeson proposed that an investigation be made by the Council of the allocations made for campus productions. The proposal was voted down.

A motion was made for adjournment. The meeting was adjourned at 3:50 P. M.

SCAC Elects Brandenburg And Jacoby

The election of permanent officers for the Student Council Advisory Committee was the first order of business at the SCAC's fourth meeting last Thursday. Ronald Brandenburg, junior, was elected president; Sidney Jacoby, senior, vice-president; and Beth Drexler, junior, secretary.

SCAC has taken charge of student elections, providing mail and supply room service for student organizations, helped make improvements in the intramural activities program and has set up the Student Spirit committee.

It has planned and worked out in detail a proposed Student Activities Point System; and is now investigating suggestions for improvement of Book Store facilities and a plan to provide more lighting in the Seaside Park area.

When Brandenburg was elected president he stated that the SCAC is the place for students, individually or collectively, to bring their complaints, problems or suggestions. He suggests that the student should contact his SCAC representative or the secretary at least one day before a meeting.

He also emphasized that it is the responsibility of each individual student and each organization to choose a responsible permanent representative and to see that the representative attends meetings regularly.

Meetings will be held every Thursday at 4:15 P. M. in Tech. 210 and further notices will be posted on the bulletin boards.

ALONG PARK PLACE

By BILL O'BRIEN

Those of you, and that includes most of us, that have yet to see Campus Thunder '51 really have a great treat in store. The always-hysterical Thunderettes will again be the show stealers and are as funny as only boys dressed as girls can be. Especially enjoyable scenes are: the Carried-Away ballet, the Reno scene, the Flare Number, the Underwater Ballet, the Show Boat scene, and all of the solos, of which there are several. A complete review, next column.

Reviewing the Dances: Theta Epsilon sponsored an unusual and successful dance at the Three Door recently. The costume ball provided quite a few laughs for all attending but lack of space does not allow me to list the costumes worn.

POC chose Ann Fritz of Milord Hall as their "Sweetheart" and her court included Randy Forest, Shirley Swanson, Pat Rogon, Lila Finkel, and Joan Silva. Theta Sigma sponsored their "Fall Foul Ball" last Friday and with Dud Savard providing the entertainment, the TS week-end leaped off to a successful start.

The Alpha Gamma Phi dance headlines the coming dances as they sponsor their "Sword and Shield" at Glorietta Manor on Dec. 7. . . . Save your shekels as the Dental Hygienists, Phi Omicron Upsilon, have scheduled their dance on Dec. 8, at the Housatonic Lodge. To avoid a conflict with any other group they scheduled their dance on a Saturday. Nice going, girls. . . . Kappa Beta Rho sponsoring their dance during the Thanksgiving Holiday, Nov. 23, calling it their "Turkey Hop."

Romances: Temi Rothstein received a lovely wrist watch from her fiance, to be. I can't write anything about when she expects her ring, but Merry Christmas anyhow. . . . **J. Paul Sheedy* Switched to Wildroot Cream-Oil
Because He Flunked The Finger-Nail Test**

POOR PAUL was eggzasperated because every chick on campus gave him the bird. They told him: "We're all cooped up!" Then one day his roommate said: "The hens avoid you beak-cause your hair's messy, you dumb cluck! I don't know feather you've heard of Wildroot Cream-Oil or not, but you better fry it—er, try it! Contains soothing Lanolin. Relieves dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Paul got Wildroot Cream-Oil—and now the gals think he's a good egg! Better lay down a few poultry cents on the nearest drug or toilet goods counter for a bottle or tube of Wildroot Cream-Oil. And ask for it on your hair at your favorite barber shop. Then the girls'll take off their hatch to you!

Touch Football Loop Prepares For Five Team Playoff Race

By VIC MUNIEC

Playoff positions in the Intramural Touch Football League are virtually set as the pigskin season draws to a close. Marina Hall, Park Hall, and the Alley Cats have earned the right to enter the playoffs in the Independent League. Alpha Gamma Phi and Pi Omega Chi are set as finalists in the Fraternity League with Theta Sigma and Sigma Phi Alpha battling for the third playoff slot.

The Alpha Gamma Phi gridiron machine ran up high score for the season thus far (41-0) as they whitewashed the Sigma Phi Alpha squad. Rugged line play by Morgan Rehrig, Don Glazing, Bob Nolan, and Bob Gold co-ordinated

with the smoothly functioning backfield of Herb Lampert, Lionel McCabe, and Jim Huffmire virtually swept the SPA team off its feet. Herb Lampert brought the cheering crowd to its feet as he

raced the full length of the field on an intercepted pass.

Marina Hall bested a stubborn Fairfield Tigers squad by a score of 15-0. A downfield march led by Bill Crystal and Al Lepow culminated in a T. D. when Lepow skirted left end for the final ten yards on a naked reverse. A jump pass by Lepow into the waiting arms of Crystal was good for the extra point. Marina unveiled a new quarterback late in the second half: Tony Georgan masterminded his hard hitting eleven in a downfield march, and then rifled a scoring pass into the glue-fingered arms of Crystal.

The Tiger team, led by Dick Farrell, Jim Halsey, Rodger Saxson, and Larry Jacobs was able to move the pigskin deep in Marina territory, but lacked the scoring punch necessary to move the ball into T. D. area.

Theta Sigma came off the field on the long end of the score (14-0) in their game with SPA. A protest against the TS use of a varsity player, (ineligible under intramural rules) resulted in a reversal of the apparent TS victory. A Stagliano pass to Howard, good for six points, and a thirty yard runback of an intercepted pass by Sam Urda, proved to be wasted time and effort.

Basketball and bowling, both to start about Dec. 1, are edging into the intramural picture. Team captains are asked to organize their squads and enter them as soon as possible with Anthony Iannone at the Athletic Office.

Intramural Grid Standings are:

Fraternity League

	Won	Lost
Pi Omega Chi	2	0
Alpha Gamma Phi	2	0
Theta Sigma	2	1
Sigma Phi Alpha	2	2
Delta Epsilon Beta	0	4

Independent League

	Won	Lost
Marina Hall	3	0
Park Hall	2	0
Alley Cats	2	2
Fairfield Tigers	0	3
Trumbull Hall	0	3

APO Wins IM Swim Meet; Madson Sets New Record

By VIC MUNIEC

The APO "Dolphins," led by Elmer Madson, the new "Mr. Swimmer," of the 1951 season, won the annual intramural swim meet held at the YMCA on Oct. 30.

Madson set a new intramural record in the 60 yard dash with a time of 33.2 seconds, beating the former record set last year by Dick Ellis.

Ernest Ettinger (Dolphins) eclipsed the old record for the 40 yard breaststroke with a time of 25.5 seconds.

The APO Dolphins also set a new record in the 80 yard relay. The time, 40.5 seconds, betters the record set last year, also by the Dolphins.

Results of the meet are:

40 yard dash: 1. Chantland (Dolphins) 2. Haywood (Dolphins) 3. Morgan (SPA) 4. Tie—Dilendek (AGP) Raymond (Dolphins). Time 21.

60 yard dash: 1. Madson (Dolphins) 2. Chantland (Dolphins) 3. Morgan (SPA) 4. Hadden Marina. Time 33.2 (new record).

100 yard dash: 1. Madson (Dolphins) 2. Butler (Marina) 3. Muniec (SPA) 4. Jessup (Marina). Time 1.06 seconds.

40 yard breaststroke: 1. Ettinger (Dolphins) 2. Leven (Marina) 3. Muniec (SPA). Time 25.5 seconds (new record).

40 yard backstroke: 1. Leven (Marina) 2. Ettinger (Dolphins) 3. Raymond (Dolphins). Time 29.5 seconds.

80 yard relay: 1. Dolphins; 2. Marina Hall; 3. Sigma Phi Alpha. Time 40.5 seconds (record).

Diving: 1. Jessup (Marina); 2. Huffmire (AGP); 3. Tie—Ettinger (Dolphins), Nolan (AGP).

Point totals:

1. APO Dolphins	32
2. Marina Hall	19
3. Sigma Phi Alpha	10
4. Alpha Gamma Phi	5

Regional NSA Plans Exchange Program; Reaffirms Beliefs in Academic Freedom

By John M. Smith

Exchange Students, Academic Freedom, The Student Discount Service, and Freedom of the College Press were among the subjects discussed at the New England Regional Conference of the NSA held at Harvard University last week.

In the International Session plans were made to bring foreign students who are in their junior year to study in American Colleges. The purpose of this plan is to further acquaint students with American ideals and customs.

Plans were also made to investigate the possibility of an exchange program by which Amer-

ican students would pay their tuition at their own college and a student from a foreign country would pay his educational costs at his college and the two would exchange places for that particular year. This would entail no extra expense on the part of the students concerned.

Smith College has been working this exchange program with the University of Toronto.

After lengthy discussion in the panel on Academic Freedom, the New England Regional Conference reaffirmed its belief in academic freedom as stated by the Association of University Professors:

1. The teacher is entitled

to freedom of research and, in the publication of the results, is subject to only the limitations imposed by the performance of his other academic duties, but research for pecuniary return should be based upon an understanding with the institution.

2. The teacher is entitled to freedom in the classroom in discussing his subject, but he should not introduce into his teaching controversial matter which has no relation to his subject.

3. The teacher has the right to join organizations whether religious, social or political, provided that those organizations are not illegal under the civil statutes, without

being discriminated against through economic, social, or political pressure because of such activity.

4. When the teacher speaks or writes as a citizen outside the campus, he should be free from institutional censorship or discipline.

The Student Discount Service was discussed at great

length and a favorable report was received from all the member colleges. Plans were made to extend the program to other colleges in the New England Area.
